8. SHIPPING & LOGISTIC

Due to shipping costs important increase, it is difficult for the organizer to propose a competitive solution for shipping and logistic. The FMNs or other structures are invited to manage by themselves shipping solutions.

For paddock set up, the organizer will propose a truck crane service to install / uninstall containers as well as container rental service. The Teams and FMNs will have to pay the fee (to be defined at a later stage) directly to the indicated service provider.

- Dates for setting-up: to be confirmed depending on Structures needs, between Tuesday 8 to Thursday 10 October the latest.
- Dismantling dates for container: Sunday 20 October from 12:00 to 13:00 (tbc) and Monday 21 October from 08:00 to 18:00.

Further details about Logistic will be available at www.fim-isde.com / Info / Other services.

9. CATERING FOR TEAMS

The organizer offers a complete catering service for teams from the Paddock opening date on October 8th until the end of the event on October 19th

A restaurant will offer lunch (from 12:00 to 16:00) and dinner (from 18:00 to 22:00).

A cafeteria will operate from the opening time of the paddock until closing, every day.

Additionally, there is the possibility to book and pick up a lunch box at the paddock restaurant early in the morning.

It is strongly recommended to book your catering needs in advance.

Email: hospitality@altamarca.eu

Further details about Catering for teams (opening hours, menu and prices) will be available at www.fim-isde.com / Info / Other services.

10. WEIGHT RENTAL

As it is forbidden to drill the asphalt in all the Silleda Trade Show venue (paddock A, paddock B, for more info see Art. 12 + 13), the teams are invited to bring their own weights in order to secure their structures.

In case of need the organizer will propose weight rental service.

In case of needs, it is strongly recommended to book this service in advance as the quantities will be limited.
